Agenda Overview

Welcome Address

Dear All,

Welcome to 2022 International Conference on Intelligent Systems Design and Engineering Applications (ISDEA 2022) and 2022 7th International Conference on Information and Network Technologies (ICINT 2022), along with joint conferences ITET, ICRIT, ICETD and ICEMC.

As you have been aware, COVID-19 is still out of control, and the safety and well-being of our participants is of paramount importance to us. Therefore, after serious consideration, the committee has made the difficult decision to have these conferences as an fully virtual mode. We were looking forward to seeing everyone in person, but we are excited for the opportunity to innovate by creating an engaging virtual conference that will be rewarding for both presenters and attendees.

The objective of the conference is to provide a premium platform to bring together researchers, scientists, engineers, academics and graduate students to share up-to-date research results. We are confident that during this time you will get the theoretical grounding, practical knowledge, and personal contacts that will help you build a long term, profitable and sustainable communication among researchers and practitioners in the related scientific areas.

We would like to express our gratitude to the distinguished keynote speakers: Prof. Makoto Iwasaki (Japan), Prof. Yongsheng Ma (China), Prof. Wilson Q. Wang (Canada), Prof. Ning Xi (Hong Kong, China), Prof. Wei Xiang (Australia), Prof. Cheol Park (South Korea); Prof. LAW, Nancy W Y. (Hong Kong, .China), plenary speaker：Assoc. Prof. Cheng Siong Chin (Singapore) and other distinguished scholars for sharing their deep insights on future challenges and trends in the conferences. Special thanks to our committee members, all the reviewers, session chairs, presenters and listener attendees, researchers and students who participate in the conference. Hope you could enjoy the conference and have an unforgettable experience!

Let us also look forward to meeting each other in a physically face-to-face conference 2023.

With Warmest Regards,
Conference Organizing Committee
